

Grappenhall Cricket Club runs a thriving and successful junior section. The club has a rich heritage of success at junior cricket over the years in all competitions. A number of the clubs juniors have also gone on to represent Cheshire at their respective age groups.

Junior Training during the Season is on Friday Nights throughout the Summer, starting at 6.30pm at the club, usually finishing between 8 and 8.30pm, unless it is due to get darker earlier.

The training sessions are all run by ECB qualified, DBS registered coaches with a set program to develop the young players. The training is made as enjoyable as possible, especially within the younger age groups, with the emphasis on fun and learning the basics of the game at a young age.

Training is supported by the excellent facilities available including training aids and equipment, a fantastic pitch and excellent net facilities.

Our coaches are qualified and trained to develop the young cricketers to the best of their abilities to assist them in the transition to senior cricket in the future if they wish.

The club currently run the following age groups;

### **Under 7's**

Manager: Paul Tyerman

Tel: 07912 966236
